19 March 1952

MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Authentication of Facts

1. In response to your request there is attached (Tab A) a discussion of the problem of identification and authentication of facts in the production of intelligence. You may wish to distribute this paper for consideration at a meeting of your Assistant Directors.

2. In arriving at the proposal to establish a Chief of Production for the DD/I some tentative consideration was given to the related problem of the organization of the DD/I staff (Tab B). A brief statement of the possible duties of the Chief of Production appears as Tab C.

JAMES Q. REBER  
Assistant Director  
Intelligence Coordination
